Dear patients and families,

After 30 wonderful years in practice, I am planning to retire January 5th. It has been my joy and privilege to work with all of you. I have known many of you since birth, and now some as parents yourselves! Your stories, proud moments, as well as difficult times have been a major part of my life.

We at LG Pediatrics have been fortunate to hire a new pediatrician, Dr Komal Afzal. Please see her Bio on our web page. We feel she is a great doctor, compassionate, hardworking and smart. We hope you will enjoy getting to know her. Dr Iris Li will also continue to be available to take care of you.

Wish me luck on the next phase of my life. I will miss you all. And keep those Holiday cards and photos coming!

Sincerely,

Belinda Milford MD
